

How to Setup Online Giving BCM - Logan Moore

1. Click on the giving link in the email or go to hogbcm.com/logan and scroll down to the give button.
2. If you are giving a one-time gift you can use the **GIVE NOW** instructions, which are the same below other than "schedule a monthly payment." However, we highly encourage you to create an account before giving a one-time gift. This will give you better access to your gift records, and it makes it easier to give at a later date.
3. At the top click on the **SIGN-IN** tab.

The screenshot shows the top navigation bar of the Arkansas Baptists Online Giving website. Below the header are two buttons: "GIVE NOW" and "SIGN IN", with "SIGN IN" circled in red. The main content area features a large Arkansas Baptists logo. Below the logo, there are two sections: "My Contribution" and "My Information".
